

**CITY OF BUFFALO
ORDINANCE NO. 411**

An Ordinance creating Section 6-1.0209 of the Municipal Code of the City of Buffalo relating to the Water Meters

WHEREAS, from time to time it is necessary to amend the Buffalo Municipal Code to reflect changes in rules concerning Water Meters.

THEREFORE, be it resolved that the following amendments are to be made to the Buffalo Municipal Code:

1. Section 6-1.0209 titled Deduction Meter is hereby created to read as follows:

Section 6-1.0209 Deduction Meter

Property owners have the option of purchasing a second water meter to measure water that is not being returned to the City sanitary sewer system. The meter must be purchased from the City of Buffalo at a price to be equal to the price the city pays to purchase and modify the meter. The meter then becomes the property of the property owner who is responsible for all meter repair and maintenance. Water usage measured through this meter will be deducted from total usage for Sewer Utility charges, but in no instance will the deductions lower the bill beyond the minimum charge for sewer. The deduction meter will be read by the Utility personnel while reading the water meters.

Full force and effect. This ordinance shall be in full force and effect from the date of passage and publication as required by law.

Repealer. This ordinance shall be construed to repeal any prior ordinance inconsistent herewith.

Severability of provisions. If any section, subsection, sentence, clause, phrase, or portion of this ordinance be held invalid or unconstitutional by any court of competent jurisdiction, such portion shall be deemed as separate, distinct, and independent provision as such holdings shall not be affected the validity of the remaining portion hereof.

Adopted by the City Council of the City of Buffalo, Iowa, this 9th day of October 2006.

Approved and signed by the Mayor of Buffalo, Iowa, this 9th day of October 2006.

John Carson, Mayor

Attest: _____
William Bowers, City Clerk
