

## **Buffalo Cemetery Committee**

### **January 26, 2022**

A. **Call meeting to order:** 5:15 pm

B. **Roll Call**

Ted Teel and Austin Miller

C. **Fencing**

Discussed who the west fence belongs to. Asking Mike Janecek if he knows since he did the cemetery mapping. If not, looking into having it surveyed so they can move forward on removing and replacing the fence. Chris Thornton suggested offering to buy the adjacent property and putting in a privacy fence. Bringing it to Council.

D. **Ground Maintenance**

Dirt pile is gone. Would like to figure out how to keep the dirt pile yet conceal it from the public. Trees are all down, just need to ground stumps this spring.

E. **Mapping**

Discussed the new cemetery map and how to display it. Came up with 3 choices of display cases. Chris Thornton from the Historical Society has offered to purchase the case and get the map printed. Bringing it to council to ok.

F. **Sign**

Josh Ferkel suggested moving the rules sign over towards the building. The Catholic Cemetery informed Josh that the sign was blocking their cemetery and impeding on a few Graves. Chris Thornton also suggested that if the new map sign is big enough, they could put the rules in there.

H. **Public Input**

Judy Blessing brought up the fact that the State is raising the \$5 fee for examination to \$10. Asking council to come up with an ordinance to add the extra \$5 to the purchase Price of new lots.

I. **Adjournment**

Meeting was adjourned at 6:00 pm
