

Minutes of the Buffalo Community Development Committee February 10, 2022. Meeting called to order by Chair Brandon Berg at 5:00pm. Present Kathy Hutchison, Brandon Berg, Mary Moore, Angie Gadzik. Present Mayor Sally Rodriguez, YMCA Camp Director Nick Martinez, former Community Development Members Judy Hammons and Trent Adams, Public Works Director Josh Ferkel and City Clerk Tanna Leonard.

Nick Martinez described the options for YMCA Camp Programs available and how other communities were utilizing the program. Buffalo had, in the past always sponsored 50% of the fee towards one week of day camp for forty children. Last year there was funding left from the prior year, so CD funding was 100%. This year there had been funding donated generously from several local Buffalo businesses to sponsor Buffalo kids camp program. Committee needed to determine the type of program that they were going to sponsor and set the dates. This will be addressed at the next meeting.

Street Scape project was discussed for the next step and how the committee could obtain input from the community. The committee decided to host a meeting to hear comments from the public, send letters and meet in person with business owners.
