These minutes were summarized to save publication costs. A detailed version of the minutes is available on the website at <a href="https://www.buffaloiowa.org">www.buffaloiowa.org</a>, and posted at SENB Bank, City Hall, and Post Office.

Regular meeting of the Buffalo City Council meeting called to order by Mayor Sally Rodriguez at 6:02pm on October 09, 2023. A meeting was held at the Buffalo Community Center to be able to accommodate additional residents. Present were Council Members Joe Buffington, Rachel Teel-Vanderpool, Mary Moore, Austin Miller, and Ted Teel. Also present were City Attorney William McCullough, City Engineer's Mike Janecek and Jay Brady.

Mayor Rodriguez thanked everyone for attending the meeting and appreciated that there was such a good turn out from the public to learn what was going on with the water utility. She explained that there were issues with the water utility and that there was a press release that was sent out along with a form letter from the IDNR. She explained that they would summarize the circumstances, provide updates, and then have a period of time where people could come up and ask questions. Rodriguez went over the press release.

Ferkel reported that for PFAS/PFOA's they have been testing quarterly and results have been under the 4 ppt that is mandated by EPA. During the last quarterly testing PFAS levels tested at 8ppt and triggered a Drinking Advisory Statement to be issued by the City. During the regular meeting in September, it was on the agenda, and he briefed the council on the testing results and the letter that would follow.

Jay Brady described PFOA/PFOA's and how they are occurring in our environment and how they are used in many waterproof clothing and containers. He explained that after Well #1 went down and the raw testing was performed, they discovered that the grout was failing in the well and it was proposed to install a new well casing to help reduce the bacterial and PFOS/PFOA's entering the well system. Brady also explained that well #2 tests fine for all regular tests for drinking water, however, has a larger amount of iron increasing the discoloration. Currently we were waiting to hear back the results of PFAS/PFOA's for Well #2. Those results would take approximately two weeks to come back, and the public would be notified of those results.

Brady explained that the health advisory definition for PFOA/PFOS are long term chronic issues, not an immediate health effects of illness immediately.

Rodriguez asked how water would get contaminated and to explain. Brady stated it could be migrating from unknown sources, or due to grouting.

Various people asked questions, details are available on the website at <a href="www.bufffaloiowa.org">www.bufffaloiowa.org</a> or posted at SENB Bank, City Hall, and Post Office.

### **Public Input**

Olin Meador asked about the crown on Dodge Street and if they were planning on removing that since it is so much higher than the sidewalk. Janecek explained that they weren't removing much of the crown because it would be better if there was a preexisting base to overlay. Janecek didn't see an issue with the slope of the crown.

#### Well #1 Liner

Motion by Teel and seconded by Miller to approve the cost of \$83,405 to do the liner and regrouting on well #1. Motion carried unanimously.

Motion by Miller and seconded by Teel to table the tree hearing requests until the next council meeting. Motion carries unanimously.

## Pay Request Taylor Ridge Paving

Motion by Buffington and seconded by Moore to approve the first pay request for Taylor Ridge Paving in the amount of \$39,741.54. Teel questioned if the area behind the curbs would be repaired. Janecek explained that there were still several issues and additional work to be completed, and that behind the curb would be repaired. Motion carried unanimously.

#### Halloween Parade

Motion by Teel and seconded by Rachel Teel-Vanderpool that the Halloween parade be October 29, 2023 @ 4:00pm. Motion carried unanimously.

#### **Fire Prevention Week**

Mayor Rodriguez explained that Steve Stebens attended the Community Development meeting and requested that they pay for some fire safety materials for the event that BVFD hosts at the elementary school. Motion by Teel and seconded by Miller to approve \$1,500 as recommended by Community Development for Fire Prevention week.

#### Resolution 2023-47

Motion by Teel and seconded by Buffington to approve resolution 2023-47 approving the budget amendment for FY24. Motion carried unanimously.

## 561 Barndominium 3rd Reading

Motion by Miller and seconded by Teel to approve the third reading of 561 Barndominiums. Motion carried unanimously.

# 562 Community Development Allowance 2nd Reading

Motion by Austing and seconded by Rachel to approve the 2<sup>nd</sup> reading of Community Development allowance. Motion carried unanimously.

#### **Payment of Claims**

Motion by Teel and Seconded by Moore to approve the payment of claims. Motion carried unanimously.

Motion by Moore and seconded by Buffington to adjourn the meeting at 7:28PM

Sally Rodriguez, Mayor

Tanna Leonard, City Clerk
