Mayor Rodriguez explained that Deputy Clerk Blessing received a phone call with the gym floor asbestos testing, and it was negative. Some water damage and due to age, tiles were breaking away. Ferkel reported that he thought he had tiles for the floor. Rodriguez asked Ferkel if they would be able to replace the broken tiles and Ferkel just asked for a copy of the report for the testing. He explained that Horst had told him there was positive asbestos testing in the gym. Adams explained that the stage area had tested positive, so it was closed off to the public for rental. Rodriguez told Ferkel that she would have the report sent to him.
