

Minutes of the Comprehensive Plan Steering Committee with City Council meeting held August 14, 2024, at 6:00 pm. Present council members Rachel Teel-Vanderpool, Sean Roman, and Trent Adams. Mayor Sally Rodriguez was also present, as well as Gina McCullough and Zach Sutton from Bi-State Regional Commission.

Meeting was called to order at 6:00 p.m. by Mayor Rodriguez.

Welcome and Introductions

G. McCullough welcomed everyone to the meeting.

Status of Mapping and Chapter Development

G. McCullough discussed the status of the mapping and chapter development. Discussed the existing and future land use map; where the information came from; the coding for the maps; and what the purpose of the maps are for the comprehensive plan.

Preparations for Public Input Meeting

G. McCullough discussed how the public input meeting would be presented and what would be discussed. Discussed the press release and getting the word out about the meeting. G. McCullough will start the public meeting and there will be maps that folks can review and provide suggested comments for changes. The public meeting is Aug 21, 2024, at 6:00 pm, at the Buffalo Community Center.

Vision and Goals Discussion

G. McCullough provided the vision and goals chart, which she developed based on the steering group's discussion from the last two meetings. The steering group was happy with what Bi-state had annotated on the chart.

Public Comments
