 - City Council: Ashley Polzin, Troy Hass, Brandy Harland, Adam Gerischer
 - City of Buffalo: Sally Rodriguez
3. Public Input
 - Would be nice to have a box of park supplies such as basketballs, pickleball net, etc, or check out at city hall
 - Beach combing and preparedness for use isn't sufficient, also the one walkway between the beach of Boondocks down to Shell is all overgrown and not walkable. In discussion about who owns the beach down towards the tug boat with Scott County assessor
4. Terry Adams Memorial Park-
 - Gaga pit mat – minimum of 20'x20' needed for the space we have. Will lay the underlay under the gaga pit and not needed to glue down. The diamond plate can be flipped over so it doesn't affect the ball direction. Brandy motions to go with 10x25' roll, will need two at \$259 a roll and do grey, Ashley second, all in favor. Troy will install with help from Adam.
 - No electric bikes in park – Will table until Josh is available to see about signs discussed in last meeting
 - Blow dryers – Three bids of hand dryers, can be plugged in or hard wired, Troy motions \$68.85 and will need two, Adam second, all in favor
 - New drinking faucet – Will talk to Tanna to see if we can still work with Waste Commission to potentially get a bid/grant to get it paid for
 - Sunshade for softball diamond. Rediscussed the amount of bid for Decked Out and will table discussion until next year about moving forward or not with shade. Knowing that games start at 6, question on whether it will actually provide shade with the direction of the sun or not.
5. Chief TJ Behning Park
 - Still need to clean up their strip where dead limbs are down and need to weed eat and pick up trash
